Homeowners Newsletter: April 2025

Dear Snowshoe Mountain Homeowners,

As we wrap up an exceptional winter, we celebrate not just the end of our 50th winter anniversary season, but also one of the best snowfall seasons in over a decade. It's been a magical time, thanks to the incredible snowfall and the vibrant energy from our community. Your participation and enthusiasm have truly made it special.

We are excited to carry this momentum into the summer season! Mark your calendars for the official opening of the Bike Park on May 22. With summer just around the corner, we're gearing up for Homeowners Weekend, which kicks off on May 24. This will be a time to reconnect and enjoy a weekend brimming with fun activities, live music, and a spectacular fireworks display on Saturday night. Be sure to join us for a fantastic celebration. For a complete list of summer events, you can find the full schedule [here](#).

Golf enthusiasts will be thrilled to know that the [Raven Golf Club](#) is set to open on April 19. We invite you to dust off your clubs and experience the lush greens and breathtaking views that our course has to offer.

We're also delighted to announce that construction is underway for the new Shavers Center. This updated, modern facility is set to open in mid-December 2025, just in time for the 2025/26 winter season. The new Shavers Center will be a state-of-the-art skier services facility, featuring spacious interiors, a large outdoor deck, and additional seating. It will provide a comfortable and welcoming environment for gathering, dining, and relaxation. The center will also host programming for Kids World & Pre-Ski, ensuring that all our guests have a fantastic experience.

As we look ahead to another remarkable winter season, we remind you to grab your [2025/26 season passes](#) before prices jump. Take advantage of early pricing and secure your pass now, including the exclusive Primo Pass, which offers benefits such as exclusive parking, first tracks, and dedicated lift lane privileges.

Finally, we encourage all homeowners to take advantage of the off-season to make any necessary upgrades and renovations to your units. Enhancing your property can lead to higher rental rates and the opportunity to be included in the premium Brigham Collection.

Thank you for being a cherished member of the Snowshoe Mountain community. We look forward to an incredible summer and continuing to create unforgettable memories with you.

Warm regards,
The Snowshoe Mountain Team

First Tracts Real Estate

Hello Fellow Snowshoe Mountain Homeowners. **First Tracts Real Estate** is hopeful that you have had as much fun this 50th winter anniversary as we've had. The groomers, trees, bumps, terrain parks, apres ski, races, competitions, hot tubs, great food, new friends, and old friends...it's all been TERRIFIC. The STOKe remains high on the mountain and vibes remain strong and flowing. We are also excited about the upcoming build out of the new Shaver's Center in the Village. This should make the Village feel more complete and offer the needed day lodge atmosphere, much akin to the old building.

This great winter, coupled with the new Shaver's Center, should help to keep this solid resale market continuing to roll along in a positive direction.

We at First Tracts continue to be committed to helping Snowshoe owners in any way that we can, and are happy to meet with you to discuss your personal real estate needs. We often find that families that came to Snowshoe over the winter, circle back in the spring to explore purchasing the perfect mountain retreat. So, if you want to find out approximately what your home is worth in today's real estate climate, please reach out.

We hope that you can stop by and see us during the off-season. If not, feel free to email us at info@FirstTracts.com, or call at [304-572-4500](tel:304-572-4500). We are happy to answer all of your Snowshoe real estate questions.

Your FRIENDS,

First Tracts Real Estate
