NEW PARTICIPANTS:

Due to the consistent nature of SNOWTRACKS coaching children often progress quickly as a group. In order to maintain the instructional integrity of the program we request you adhere to the following guidelines & requirements:

- If **2025.26** will be your child's first season in the SNOWTRACKS program and they are first time skiers/snowboarders or still learning to stop and turn. They are required to attend a session prior to December 20th.
- **We strongly suggest** scheduling your trips to include the December 13th weekend so that your child can begin to establish skills and maintain pace with their group.

IMPORTANT CONSIDERATIONS FOR ALL PARTICIPANTS:

Irregular or Sporadic attendance may impact your child's ability to maintain pace with their group; this is especially true of beginner skiers and snowboarders. If your schedule for the winter will only include a handful of weekends, or you will not be arriving for your first trip until January or later, we suggest considering other lesson options for your children.

A season long program can be a wonderful growing experience and establish a lifelong love of skiing and snowboarding. That's the goal!! We understand that a well-timed, gentle nudge can help children progress and develop a love for learning. However, we also recognize that excessive pressure to participate in an activity they aren't passionate about can diminish their enthusiasm and potentially drive them away from the sport altogether. Please thoughtfully consider not only your own goals and expectations, but those of your children as well. IF you have questions along these lines, please reach out and we can help navigate the decision-making process.

COMMUNICATION, SKIPPED ATTENDANCE & LATE ARRIVALS:

Participation is not required for all sessions; our coaches will be geared up and prepared to teach every scheduled day. If you know your child will not be attending on a specific day, please email skischool@snowshoemountain.com so the coaches will be informed. It is important sessions begin on time. If your child arrives late and their group has departed for the day, you may drop them off to join the group during the lunch break. If your child's team is skiing/riding at Silver Creek for the day and have already left, you will be expected to take your child to Silver Creek Kids World to meet with their team at lunch.

ABILITY ASSESSMENT (Select one):

- ☐ **Beginners:** New to snow sports. Cannot stop consistently at will and/or cannot turn.
- ☐ **Advanced Beginners:** Can stop consistently and usually turn in both directions on learning terrain (snowboarders may be using one or both edges). Speed control may still be an issue, and narrow, crowded or even moderately steeper terrain proves challenging.
- ☐ **Green Intermediate:** Can stop and turn comfortably on any green terrain. Speed control is maintained with consistent turning (not just straight runs with hard stops to slow down). Snowboarders MUST be using both the heel edge and toe edge to turn.
- ☐ **Blue Intermediate:** Completely comfortable on green terrain, may already be on blues, or ready to advance to blue terrain.
- ☐ **Intermediate:** Comfortably turning and stopping on green and blue terrain.
- ☐ **Advanced:** Comfortable on most terrain the mountain has to offer. Ready to ride terrain parks or steeps
