

## Important Pre-Ski School Information

**REGISTRATIONS FORMS:** We require a significant amount of registration paperwork, including information that you may not keep on hand (child's physician & phone number). We highly encourage you to complete the registration paperwork prior to arrival to ensure paperwork is complete and to expedite the check in process. Registration packet may be found *on our website here*. Registration paperwork can take up to 15 minutes to complete.

**AGES REQUIREMENTS:** Activities, games, toys and staff training in the Pre-Ski School program are best suited to children in the 2-4 age range. For these reasons and others we will not accept children outside the ages of 2 to 4 years old. You may be required to present proof of age to enroll your child in this program so we encourage parents to have a copy of his/her child's birth certificate to ensure admittance.

**MEDICATION:** Our pre-ski staff is not certified to administer medications of any kind, including over the counter or prescription medications, neither oral nor topical. If your child requires medication, please make arrangements with the staff at check in to stop by and administer medication throughout the day to your child as needed.

**LOCATION:** Pick-up, drop-off, and all pre-ski activities will take place in the lower level of Mountain Lodge.

**WHERE IS MY CHILD:** Whenever we're off playing somewhere other than the pre-ski school room, we will leave a note on the door letting you know where we are.

**ABOUT OUR STAFF:** We hire caring and compassionate staff who love being around young children. We run background checks on all of our employees.

**WHAT TO PACK:** Outdoor play clothes (water resistant outwear, gloves, hat/beanie (please avoid pom poms as they will not fit under a helmet), face protection/neck up, indoor play shoes and a personal water bottle. If your child is a picky eater, please pack nut-free snacks and a nut-free lunch. For younger children: diapers, wipes, comfort items (blanket, stuffed animal). Please do not bring electronics or valuables.

**RESERVATION POLICY:** 24 hour advanced reservations are required. Pre-Ski School is a high demand program therefore we highly recommend reserving well before 24 hours to ensure your child's spot. We will accept walk up bookings on a space available basis but cannot guarantee availability.

**CANCELLATION POLICY:** Cancellations are not permitted inside 72 hours and will result in forfeiture of payment. If you have purchased a full day with lesson and the lesson is cancelled due to extreme weather, we will refund the lesson portion of the program.

**CB!GBCK D@5LESSONS:** Optional add on to full day pre-ski school session (NOT offered for half day programming). This "play & learn" session is designed to help little ones fall in love with winter and gently nurture a desire to slide on snow! We **practice** balance, starting and stopping; but don't hammer away at skills or expect little bodies and little attention spans to become adept at skiing or snowboarding in an hour. Our mission here is fun, fun, fun!
